

# C-TECH

DESIGN & MANUFACTURING

A **DOVER** COMPANY

## Specs

### Chassis:

2004 Kenworth  
Single Steer  
Tri Drive  
Air Ride Suspension  
Cat C15@475 hp  
18 speed Transmission

### Air Compressor:

Hurricane Multi-stage  
4 Stage Liquid Cooled  
Max Output: 600 CFM  
Max Pressure: 2000 lbs  
Belt Driven

### Tubing Injector:

Manufactured by C-Tech  
30,000 lb pull  
72" dia. arch  
from 3/4" to 2" tubing range

### Fluid Pump:

Low Rate Triplex  
Max Output: 14 Gal. per min  
Max Pressure: 3000 psi

### Picker:

Atlas 140.4  
14 meter tonne  
40' - 6" reach  
360 degrees rotation

### Alberta Instrument Counter System:

One prox switch in the arch  
One encoder on the chain drive  
Digital display at panel

## MANUFACTURING FACILITY

3201 - 84th Avenue Edmonton, Alberta, Canada T6P 1K1
